

H.Q.C

- High Quality Collagen •

Eye Contour

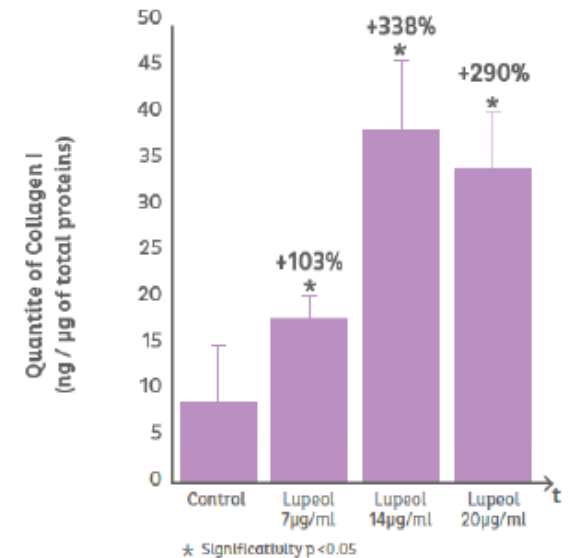

With
Collageneer®

The action of **Collageneer®** in our "HQC - Firming Eye Contour" maintains the **elasticity** and **firmness** of the skin while providing tone and flexibility.

Collageneer®

Collageneer® is a Lupeol extract patented by Laboratoires Expanscience, which stimulates the production of High Quality Collagen I through its action on the active HSP47.

Virgin Prunus Oil®

Virgin Prunus Oil (Ecocert certified) offers a subtle fragrance of almond and a soft, light, non-greasy texture.

Instructions

Weigh the components of phase A except for the Collageneer®. Heat these to 75°C and add the Collageneer® at the last moment.

Weigh the components of phase A. Hydrate the Carbopol Ultrez 21. Heat to 75°C.

At 75°C, add phase A to phase B, and then homogenize.

At 55°C, add the components of phase C one by one, cool to 35°C then add phase D.

The pH of the final product must be close to 6.5.
