Product Directory

The background of the entire page is a soft-focus, high-key photograph of several orange slices. The slices are arranged in a circular pattern, with one large slice in the top left, another in the top right, one in the bottom left, and one in the bottom right. The lighting is bright and even, highlighting the intricate texture of the orange segments and the central pith. The overall color palette is warm and natural, dominated by various shades of orange and light yellow.
