

KAHAI™

ANTI-AGING  
DRY OIL

100% Natural  
Face, Body & Hair

## ANCESTRAL ORIGIN

Kahai™ Anti-Aging Dry Oil reveals one of the Amazon's best-kept secrets, which has been used since ancient times by communities of the region for skin and hair care.

Obtained from the nuts of a majestic Amazonian tree called "Cacay", this precious oil is extracted through a special process that preserves all its properties and benefits.

Soothing	<ul style="list-style-type: none"> <li>• Burns and irritations healing</li> </ul>
Sebum Regulator	<ul style="list-style-type: none"> <li>• Anti acne</li> <li>• Unblocks pores</li> </ul>

HAIR CARE	<ul style="list-style-type: none"> <li>• Hair conditioning</li> <li>• Nourishes and protects</li> <li>• Provides shine and silkiness</li> <li>• Frizz control</li> <li>• Thermo protector</li> <li>• Prevents split ends</li> <li>• Unblocks hair follicles</li> <li>• Stimulates hair growth</li> </ul>
OTHERS	<ul style="list-style-type: none"> <li>• Nails strengthener</li> <li>• SPF booster</li> <li>• Anti inflammatory</li> </ul>

## WIT OF NATURE

Rich in Vitamin E, F & Retinol

Kahai™ Oil gathers the best properties of some of the most precious oils in cosmetics. It exceeds the Linoleic Acid and Vitamin E content of Argan oil, and has more Retinol than Rosehip oil.

Kahai™ Oil is one of the highest in **Vitamin E** content, that provides nutrition to cells and is a powerful antioxidant that protects them against the harmful effects of free radicals, which are the main cause of aging.

**Retinol** is known as the anti-aging vitamin, as it activates the skin's natural renewal process, promotes cell regeneration and stimulates the production of collagen and elastin.

Kahai™ Oil contains around 75% Linoleic Acid or as it is known in cosmetics "**Vitamin F**", which is the ultimate vitamin for dehydrated and dry skins. The lack of vitamin F produces dryness, roughness, flaking and loss of elasticity and firmness. It is a remarkable regenerator capable of attenuating wrinkles and blemishes. It restores the skin's protective barrier, increasing its resistance against external aggressions. It facilitates the recovery of the skin and provides a soothing effect after shaving, sun overexposure and diaper rash. It helps unblock pores and hair follicles and regulates sebum production. It promotes hair health and stimulates its growth.

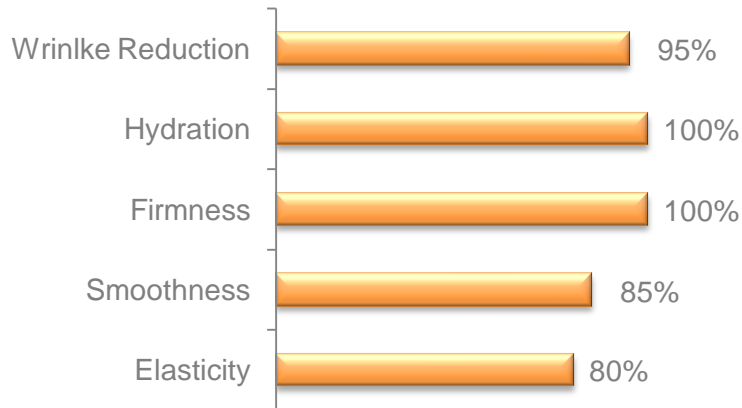

## NATURE THAT WORKS

Clinical studies run by Derma Consult in Germany prove Kahai™ Oil efficacy to reduce wrinkles and to improve hydration, firmness, elasticity and smoothness of the skin.

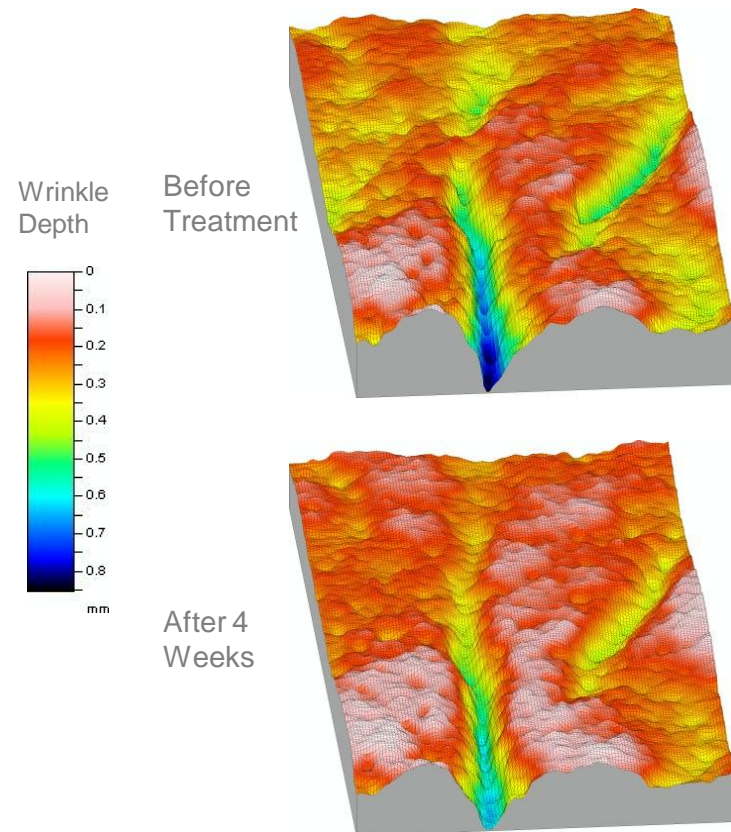

**95% of patients showed a reduction of up to 45% in wrinkles volume, after only 4 weeks of use**

Patients with skin improvement after 4 weeks

Kahai™ Oil was also dermatologically tested proving its suitability for sensitive skin and safety for daytime use.

Stearic Acid	3.5 - 4.3

<b>Storage</b>	Keep in a cool dry place away from light.
<b>Shelf Life</b>	24 months in sealed original packing (Extendable according to storing conditions)

## INNOVATION WITH SOCIAL AND ENVIRONMENTAL IMPACT

Kahai SAS is the first company in the world to industrialize the “Cacay” crop and is working for the strengthening of this nut’s value chain, as an alternative for sustainable economic development in Colombia.

For its high degree of innovation and strong focus towards sustainability, the company has earned several awards and acknowledgements.

*The above videos show an overall of our plantations, processing facility and work with the community.*

## HELP THE PLANET

By using our products you are helping us reforest 5.000 hectares with “Cacay” in Colombia’s Amazon region, generating incomes for peasant and indigenous families within conflict zones.

## RESPECT FOR LIFE

- Not Tested on animals
- Sustainably sourced
- GMO Free
- Nanomaterial Free
- CMR substances Free
- REACH exempt

**NOT TESTED ON ANIMALS**

## STATEMENTS

Kahai™ Oil is extracted by cold pressing the nuts of the Caryodendron Orinocense Karsten tree, and does not use any solvents or other additives in its production.

Kahai™ Oil is a vegetable oil, obtained from natural sources which are not chemically modified and are not classified as dangerous (Directive 67/548/EEC). Therefore, under Annex II Paragraph 9 of the COMMISSION REGULATION (EC) No 987/2008 of 8 October 2008, it is REACH exempt.

Kahai™ Oil does not contain substances classified as carcinogenic, mutagenic or toxic for reproduction of the categories 1A and 1B under Regulation EC 1272/2008 of the European Parliament and of the Council of December 16, 2008.

Kahai™ Oil is free from genetically modified materials and objects.

Kahai™ Oil is nanomaterial free.

Kahai SAS is responsible with human health and the environment.

Kahai SAS does not use animals to test its products, and neither requires this from its suppliers. Kahai SAS verifies the safety of its products without any animal testing, and product safety programs are based on the fundamental principle of opposition to unnecessary animal testing and respect for animal welfare since the beginning of its production in 2009.

Kahai™ Oil has been dermatologically tested showing no undesirable reactions in any of the patients.

Kahai™ Oil does not contain restricted ingredients for use in cosmetics (according to the seventh amendment of 27/02/2003 - Directive 2003 15 EC, DOCE L66 (11/03/03) – Cosmetics Directive 76/768/CE) .

Based on our supplier's lab results, Kahai™ Oil contains the following traces of heavy metals:

Heavy Metals	Result	Method
Lead	< 0,1 ppm	AAS
Arsenic	< 0,1 ppm	AAS
Mercury	< 0,1 ppm	AAS

Kahai SAS products are produced and manufactured in Colombia.
