

ANTI-DANDRUFF GLOW DROPS

Hair serum for the scalp with a texture design to have a sensorial profile similar to the silicone, feature **ALPHASHIELD**, a complete active that in a safe and hypoallergenic way inhibits the formation of microorganisms that cause dandruff. It promotes hygiene, helps in revitalization, reduces sensitivity, and increases resistance to external aggressions, including the scalp. ALPHASHIELD's hair care benefits include eradicating fungus (*M. furfur*), irritation, inflammation, and excessive oiliness to cleanse and free the follicles so that dandruff is eliminated.
